About

The Medical Group Management Association (MGMA) helps create successful medical practices that deliver the highest-quality patient care. As the leading association for medical practice administrators and executives since 1926, MGMA helps improve members' practices through exclusive member benefits, education, resources, news, information, advocacy, and networking opportunities, and produces some of the most credible and robust medical practice economic data and data solutions in the industry, MGMA advances the profession of medical practice management with its industry-leading board certification and Fellowship programs through the American College of Medical Practice Executives.

Through its national membership and 50 state affiliates, MGMA represents more than 33,000 medical practice administrators and executives in practices of all sizes, types, structures and specialties. MGMA is headquartered in Englewood, Colo., with a Government Affairs office in Washington, D.C.
