About

Founded in 1891, AMSUS The Society of Federal Professionals, is the oldest and largest organization dedicated to federal healthcare professionals. AMSUS members represent all uniformed services, as well as the Department of Veterans Affairs, other federal agencies, foreign services, and civilians including retired military and academia. Members consist of physicians, surgeons, nurses, dentists, and other allied health practitioners.

AMSUS members are primarily officers who must be thoroughly prepared to handle all medical issues during both times of peace and war. This makes them excellent prospects for a wide array of products and services related to medicine and overall patient care.
