About

Founded in 1969, the Association of Women's Health, Obstetric and Neonatal Nurses (AWHONN) is the only organization serving the unique needs of nurses specializing in the care of women and their newborns. AWHONN's members are primarily neonatal nurses, APRNs, women's health nurses, OB/GYN and labor and delivery nurses, nurse scientists, childbirth educators and nurse practitioners.

AWHONN members work primarily in a hospital setting involved in direct patient care and education focusing on labor and delivery, mother/baby issues, women's health, postpartum and antepartum. Benefits of AWHONN membership include a subscription to the *Journal of Obstetric*, *Gynecologic and Neonatal Nursing* and *AWHONN Lifelines*, a professional support network, online tools, health policy and legislative updates, and much more.
